

Dear Colleagues

This year the traditional LCA social event will take place on the evening of May 12, during the SETAC Europe Meeting in Basel. You are invited to join us on an evening of cultural and gastronomical experiences. We will meet at 6:45 p.m.¹ at the tram station in front of the conference building and start the evening with a tour of the city of Basel on board a historical tram. After this special sightseeing tour we will have a delicious dinner (seasonal, vegetarian food, 0 foodwaste) in a unique setting (in the most significant new-gothic church of Switzerland!) in the old part of town, which will be accompanied by live music on an organ from 1862 with 2'600 pipes (photos of the venue can be found below).

Date: **Monday May 12 evening¹**

Venue: **tram station (Basel Messeplatz) in front of the conference building**

Price: **80 Euro**

Please save the date and register for this event as soon as possible and at the latest **by April 30th**, writing an email to: dold@ifu.baug.ethz.ch. Registration is required, we can't accept spontaneous guests.

You will then later be informed about the details and how to pay in due time before the congress.

We are very much looking forward to seeing you in Basel.

This year's organizers,

Ecological Systems Design Group, ETH Zurich

¹ Meet at 6:45 p.m.; the tram will leave @ 7 p.m. sharp (Swiss) and won't wait!
